

Colonel Shaw, new home in Wood street, Sixth Ward, is looming up.

Colonel Dick Dawson expects to be located in his beautiful new home on Jackson avenue, Portsmouth, in a few days.

The supper given last week by Niagara Tribe, I. O. R. M. at Orangeburg, netted about \$35; besides it was a delightful social affair.

The annual Thanksgiving service this year will be held at the First Presbyterian Church, the Rev. P. A. Cave of the Christian Church delivering the discourse.

Because his wife refused to return to their home in Bourbon county, J. C. Watkins attempted suicide on the street at Evansville, Ind., Saturday, by drinking a quantity of laudanum and tincture of poke root.

Rev. P. A. Cave has prepared a series of special services to begin next Sunday at the Christian Church. On that day at the morning service a sermon specially for the children will be delivered; subject at night, "The Story of a Father's Sacrifice." On November 25th the morning subject will be, "Hungry People and Waiting Feast," and in the evening, "Does It Pay to be a Christian?" It is proposed to have the second Sunday morning in each month set apart specially for a sermon to children.

WEALTHY HATTER DIES

Prominent Cincinnati Merchant, a Native of Fleming County

Robert S. Gotherman, aged 60, of the firm of Gotherman & Gibson, wholesale dealers in hats, caps and gloves, died of paralysis Sunday at his residence, 413 Taylor avenue, Cincinnati.

Mr. Gotherman was a self-made man and one of Cincinnati's most prominent citizens. He was in the hat business in that city forty years.

He was born in Fleming county in 1846. At the age of 21 he went to the Queen City, where he obtained employment with Gibson Brothers, and in 1886 he bought out the interest of the Gibsons.

May 13th, 1876, he married Miss Amelia C. Bird, who survives, with one son, W. B. Gotherman.

The funeral and interment will occur in Spring Grove Cemetery tomorrow morning.

Police Court.

In the Police Court yesterday Sis Porter, colored, for breaking J. Wesley Lee's collar case, was fined and costed \$25.50.

Mrs. Hafer of Ripley, for disorderly conduct, was given a suspended sentence provided she would leave town.

The cases of Thomas Ryan, Bruce Crawford, John Burkhardt and William Maher were continued until Monday.

Among a number of cases tried in the Police Court yesterday was that of Cecil Burden, a sixteen-year-old boy, arraigned on a breach of peace warrant.

Saturday young Burden got rip-roaring drunk and fighting mad and while in an enraged condition hit John Evans in the face with a brick, breaking his nasal organ and otherwise destroying, for the time being, his facial beauty.

While evidence brought out demonstrated the fact that the boy was on the tough order, the admission of the father on the stand was what sent the Police Judge and City Attorney adrift as to what was best to do in the premises for the future welfare of the boy.

In answer to an interrogation pater Burden, in a wheezy, half-ashamed manner, said—

"Well, I did give him just a little whisky one time, but not last Saturday."

It was this admission that knocked the Court officials off their pins and sent them spinning in the air.

It at once struck the Court that a parent, who encouraged an offspring by himself tendering the cup that "biteth like a serpent and stingeth like an adder," was not altogether a proper person for the raising of a child, and that the State Reform School was decidedly a much better home than the one he now has, the environments of the school being conducive in making a useful man of the boy by the time he has arrived at the age of 21 years. For the above laudable reasons, the peace warrant was withdrawn and an assault and battery charge placed against him.

In default of bail he was committed to jail for appearance at the next term of the Mason Circuit Court.

TERRIBLE ITCHING SCALP HUMOR

Badly Affected With Sores and Crusts—Extended Down Behind the Ears—Some Years Later Painful and Itching Pustules Broke Out on Lower Part of Body—Son Also Affected.

A TRIPLE CURE BY CUTICURA REMEDIES

"About ten years ago my scalp became badly affected with sore and itching humors, crusts, etc., and extending down behind the ears. My hair came out in places also. I was greatly troubled; understood it was eczema. Tried various remedies, so called, without effect. Saw your Cuticura advertisement, and got them at once. Applied them as to directions, etc., and after two weeks, I think, of use, was clear as a whistle.

"I have to state also that late last fall, October and November, 1904, I was suddenly afflicted with a bad eruption, painful and itching pustules over the lower part of the body. I suffered dreadfully. In two months, under the skilful treatment of my doctor, conjoined with Cuticura Soap and Cuticura Ointment, I found myself cured.

"Six years ago my son was laid up with a severe cold, a hard cough, and finally painful eruption all over the body. I procured the Cuticura Remedies as soon as possible, and after his faithful use of same was as well as ever in two weeks, as well as I can recall. He has never had a return of the illness, as far as I know.

"I have always been pleased to commend the Cuticura Remedies, and testify as to their efficacy. I am a veteran of the late Civil War, '61-'65, between seventy and eighty years of age. Yours truly, H. M. F. Weiss, Rosemond, Christian Co., Ill., Aug. 31, 1905."

Complete External and Internal Treatment for every Humors, from Pimples to Scabies, from Infancy to Age, consisting of Cuticura Soap, 25c., Ointment, 50c., Remedies, 25c., in form of Chocolate Coated Pills, 25c., per box of 60, may be had of all druggists. A single set often cures the most distressing cases when all fails. Potter Drug & Chem. Corp., Sole Props., Boston, Mass. THANKFUL THOUGHTS ... FOR ...

THOUGHTFUL THINKERS.
This means you, Mr. Farmer. Time was when Farmer Corn-tassel was not supposed to think; but times have changed, and he is now considered among the brainiest thinkers in the world, and the sale of gold bricks has materially decreased. Gold in paying quantities has been discovered in Estill county, the quartz assaying \$20 to the ton, and a company has been formed to open mines.

George B. Merchant, aged 76, died at Mansfield, O., of paralysis. Merchant had both jugular veins on his right side shot away during the Civil War, and lived 42 years without perceptible circulation on that side, a marvel to physicians and scientists.

The election being over, roustabouts are plentiful, and Ohio river packets are having no trouble getting crews.

The loudest and sweetest-toned whistle on the Ohio river is on the old Bonanza. The finest shrill-voiced whistle that ever blew on a boat was on the Mattie Hays during her lifetime.

Steam has been gotten up on the S. S. Brown at Pittsburgh, and her machinery tried. She was inspected Saturday and it is expected that she will be able to leave on her maiden trip some time this week.

The general car shortage with most of the railroad companies in competition with the Ohio river boats has brought about a very prosperous condition of affairs for the packets generally. Traffic on the river is 50% better than at this time last year.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
